"LITESOME" BODY BELT

The Foundation of Fitness

In Army life, physical fitness is of paramount importance. The responsibility rests on every officer to lead his men to greater efficiency.

The "Litesome" Body Belt is of the greatest possible assistance to all men who lead active lives. It braces and supports the delicate muscles of lower abdomen and loins, relieving them of strain and therefore warding off the heavy feeling of "bearing down" which results in fatigue. The "Litesome" wearer enjoys a "braced-up" feeling of lightness and well-being, keeps fresh as a daisy to the end of the hardest day and retains the keen edge of alertness.

The "Litesome" Body Belt also safeguards from the crippling effects of overstrain, rupture, etc.

Every man should wear the "Litesome" Body Belt constantly.

SAFEGUARD

Made from soft, washable woven material. In two sizes, 28-34 and 34-40 inch waist. In two styles, POPULAR 2/6 and DE LUXE 4/6 (Postage 3d. extra, 6d. extra overseas). Obtainable from Boots, Taylors, Timothy Whites, Army & Navy Stores, Army, Navy and Air Force Institute, and from most chemists or direct.

The following Army Order was published specially during the month of March.

ROYAL WARRANT

Disposal of Officers of the Royal Artillery

GEORGE R.I.

100
Artillery
4629 WHEREAS in Our Royal Artillery, owing to the A.O. 40
situation of war entrants, promotion from the lower 1935
ranks is abnormally slow :

AND WHEREAS it is desired to ameliorate this situation and in this connection to provide for the premature retirement of a certain number of officers of the rank of subaltern, captain and major who are serving on permanent regular commissions :

OUR WILL AND PLEASURE IS that such officers, of the rank of major and below, as Our Army Council may decide shall be retired from such dates as Our Army Council may decide, on the special terms laid down in the Schedule attached to this Our Warrant, or otherwise disposed of in the manner laid down therein :

PROVIDED that an officer who receives employment under any public department, whether under Our Army Council or otherwise, within the periods laid down in the Schedule attached to this Our Warrant, shall have no claim to the aforementioned special terms in full, but shall be eligible for a modified award according to the terms laid down in Section III of the Schedule attached to this Our Warrant :

OUR FURTHER WILL AND PLEASURE IS that retirement on retired pay or with gratuity at the special rates laid down in this Our Warrant shall be subject to the

Army Orders.—March, 1935

A.O. 40 conditions of Articles 538 and 721 of Our Warrant for
1935 the Pay, Appointment, Promotion and Non-Effective
continued Pay of Our Army, dated 12th February, 1931, as
 amended by Our Warrant dated 27th April, 1934*,
 relating to liability to recall to service and membership
 of Our Regular Army Reserve of Officers.

Given at Our Court at St. James's, this 21st
 day of March, 1935, in the 25th year of
 Our Reign.

By His Majesty's Command,
HAILSHAM.

SCHEDULE

I.—Retired pay

1. This portion of the Schedule refers to officers who are assessable for retired pay, as having, on the date of retirement, 15 or more years' service reckoning towards retirement under the Pay Warrant, 1931, Article 554.

Such officers will be awarded retired pay at the rates appropriate on the normal scale applicable to their service and rank, together with an addition, called "compensation element", of £60 a year (subject to paragraph 3). This compensation element will be granted irrespective of rank.

2. The compensation element will be regarded as an integral portion of the officer's retired pay and the combined award will be reduced by 10 per cent. under Army Order 79 of 1934, subject to further revision in accordance with Army Order 1 of 1935.

3. An officer retired with a compensation element of retired pay, if he is within 2 years of the normal age limit of his rank, will have his compensation element proportionately reduced, the reduced compensation element being proportional to the number of days which the officer has still to serve before reaching the age limit.† Subject to this condition, a compensation element may be awarded in addition to normal maximum rates of retired pay, if already earned.

* Army Order 75 of 1934.

† The amount will be calculated to the nearest penny: thus, in the case of an officer who has still 100 days to serve before reaching the age limit, the compensation element will be $\frac{100}{730} \times £60 = £8 \text{ 4s. 5d. a year.}$

4. *An officer whose retired pay includes a compensation element will be at liberty to commute the compensation element (after cost of living revision) in whole or in part, whether he is under or over the age of 40 years. **A.O. 40**
1935
continued

II.—Gratuities

5. An officer not assessable for retired pay, as having, on the date of retirement, less than 15 years' service (as defined in paragraph 1), will be retired with a gratuity on the following scale :—

Rank	Basic gratuity	Service addition
Lieutenant	£ 720	} £100 for each year's service.
Captain, with .. less .. than 13 years' service.	£00	
Captain, with 13 or 14 years' service.	990	

NOTE.—In the above table "years' service" means complete years of commissioned service reckoning towards retirement under the Pay Warrant, 1931, Article 554.

6. An officer with 13 or 14 years' service reckoning towards retirement for whom voluntary retirement on completion of 15 years' service would ordinarily be permissible may elect to be placed on half-pay under the Pay Warrant, 1931, Article 491 (up to 2 years' service while on the half-pay list reckoning towards retirement under the Pay Warrant, 1931, Article 554 (j)), and subsequently retire on the ordinary rate of retired pay (without compensation element) appropriate to his rank and service, in lieu of being immediately retired with gratuity on the scale laid down in paragraph 5.

III.—Conditions of issue

7. The amount laid down in this Schedule will be paid to an officer on retirement, provided that he has not at that time received employment under a public department, on condition that each officer before retirement signs an undertaking (a) to have his retired pay adjusted in accordance with the following paragraphs or to refund the difference between what he has so received

* Application for commutation cannot be made until retirement has been notified in the London Gazette.

Army Orders.—March, 1935

A.O. 40 and any smaller amount to which he may be entitled
1935 under the following paragraphs, and (b) to notify the
continued War Office of any employment affecting his entitlement.

8. An officer who obtains a permanent commission (or a temporary commission with a view to a permanent commission) in the Royal Navy (including the Royal Marines), the Army or the Royal Air Force within a period of 5 years from the date of his retirement will—

- (a) if his previous army service counts for non effective purposes in his new force and he retired with retired pay, forfeit his retired pay from the date of his new commission, and, if he has commuted a portion of his retired pay, will suffer a deduction from pay, half-pay and subsequent retired pay equal to the amount of the retired pay commuted. Further, whether an officer retired with retired pay or with a gratuity, he will have his position re-adjusted to what it would have been if he had been put on the half-pay list for five years under the Pay Warrant, 1931, Articles 491 and 554 (j), that is, he will refund the total amount of retired pay already drawn or the whole gratuity, as the case may be, less any amount which he would have received as half-pay during the period between retirement and the grant of the new commission ; or
- (b) if his previous army service does not count for non-effective purposes, and he retired with retired pay, forfeit the compensation element of his retired pay and have his retired pay for service suspended during the period of re-employment. If he has commuted a portion of his retired pay, he will suffer a deduction from pay and half-pay equal to the amount of the retired pay commuted, and on the resumption of retired pay for service on the termination of his period of re-employment he will suffer a deduction from retired pay equal to the amount of any portion of the compensation element commuted before he was re-employed. If he retired with a gratuity, he will refund the basic gratuity less the amount which he would have received as half-pay for the period between retirement and the grant of the new commission and will be liable to an annual deduction from pay and half-pay equal to the annuity value, at the date of the original grant, of the service addition.

9. An officer who, after an interval of 5 years from the date of his retirement, is granted a permanent commission in the Royal Navy (including the Royal Marines), the Army or the Royal Air Force will be dealt with as provided in the preceding paragraph for an officer who does not count his previous army service for non-effective purposes. A.O. 40
1935
continued

10. An officer who obtains a temporary or a short-service commission, which is not followed by a permanent commission, in the Royal Navy (including the Royal Marines), the Army or the Royal Air Force will, if he retired with retired pay, have his retired pay suspended during the period of re-employment, and, if he has commuted a portion of his retired pay, he will suffer a deduction from pay and half-pay equal to the amount of the retired pay commuted. If he retired with a gratuity, a deduction will be made from his pay and half-pay equal to the annuity value, at the date of the original grant, of the total gratuity.

11. An officer who retired with a gratuity and is appointed to permanent employment under a public department (other than as a commissioned officer) within a period of 2 years from the date of his retirement will retain the service addition of £100 for each complete year of service, together with one-twenty-fourth of the basic gratuity for each complete month which has elapsed since his retirement, but will refund the remainder of the basic gratuity. For example, the refund in the case of an officer appointed after an interval of 18 months and 21 days will be one-quarter of the basic gratuity. If the officer retired on retired pay, he will retain the retired pay awarded in respect of his service together with one-twenty-fourth of the compensation element of retired pay for each complete month which has elapsed since his retirement but will forfeit from his retired pay an amount equal to the remainder of the compensation element of retired pay.

12. An officer who obtains employment under a public department (other than as a commissioned officer) after 2 years have elapsed since retirement may retain the whole of the emoluments granted under this Schedule.

ARMY ORDERS

The following Army Orders were published specially during the month of May.

The King's Silver Jubilee

A.O. 80
1935

The following message to the King was sent by the Army Council, on behalf of the Army, on the occasion of His Majesty's Silver Jubilee :—

29
Jubilee
42

"The Army Council, on behalf of all ranks of the Regular and Territorial Armies and their Reserves, beg to submit to Your Majesty their loyal and dutiful congratulations on the memorable occasion of the twenty-fifth anniversary of Your Majesty's accession to the Throne.

The Army's traditional loyalty to its Sovereign acquired during the Great War a special quality of personal devotion to Your Majesty whose courage sustained them in their trials and whose confidence inspired them to victory.

In the succeeding years Your Majesty's abiding concern for all who have served or are serving in the military forces of the Crown and for their dependants has deepened those feelings of devotion.

The Army Council also recall with pride the association of Her Majesty the Queen and other members of the Royal House with the Army and in particular acknowledge with respectful gratitude the sympathetic interest of Her Majesty in the Nursing Services.

It is the earnest prayer of all ranks that many years of health and happiness may be granted to Your Majesty and to Her Majesty the Queen.

HAILSHAM."

6th May, 1935.

The following reply has been received from the King :—

"I have received with heartfelt satisfaction your loyal and dutiful congratulations on behalf of all ranks of the Regular and Territorial Armies and their Reserves, on the completion of the twenty-fifth year of my Reign.

Army Orders.—May, 1935

I am deeply conscious of the splendid achievements of my Army, during this quarter of a century, in all parts of the world, and I know that none of my predecessors had more reason to be proud of their soldiers than I feel today. A.O. 80
1935
continued

Your kindly reference to my concern for the welfare of my Army both in peace and war is most gratifying, and I am greatly touched by your appreciation of the interest taken by the Queen in the Nursing Services.

In thanking you for the good wishes which you express for the health and happiness of the Queen and myself, I assure you that these are warmly reciprocated by us for all ranks of the British Army.

GEORGE R.I."

6th May, 1935.

100
Medical
1290

OUR WILL AND PLEASURE IS that with effect from 1st October, 1935, the conditions of service at present laid down for officers of the above mentioned Corps shall be altered as follows :—

- (1) All appointments to commissions shall, in the first place, be for short service. The period of such service shall be six years, on completion of which an officer shall be eligible for selection for the grant of a permanent commission.

Any antedate granted in respect of an appointment in a civil hospital held before the date of commission, and any period after the date of commission during which an officer may be seconded for the purpose of holding such an appointment, shall not count towards the six years' service referred to above.

A.O. 210
1935
continued

- (2) Officers who on completion of six years' service are not selected for the grant of a permanent commission shall be retired from service on the active list and shall receive a gratuity as laid down in paragraph (7) below.
- (3) Officers who retire with a gratuity as provided in paragraph (2) above shall be liable, until the expiration of a period of 12 years from the date of retirement, to be recalled to service at a time of national emergency, or when a national emergency appears imminent. During this period they will be members of Our Regular Army Reserve of Officers.
- (4) An officer shall in future be eligible for promotion to the rank of captain on completion of one year's commissioned service in the Corps (instead of after 3½ years' service as at present laid down) and to the rank of major on completion of 10 years' commissioned service in the Corps (instead of after 12 years' service as at present laid down) provided, in each case, that he has qualified in such manner as may be prescribed by Our Army Council.
- (5) Antedates in respect of hospital appointments held before the grant of a commission in Our Army Dental Corps shall in future be given on promotion to the rank of captain, instead of on first appointment. The period of such antedates will reckon for seniority in ranks above that of lieutenant, for promotion to the rank of major, for increments of pay dependent on length of service and for retired pay and retiring gratuities, other than the gratuity granted on retirement with less than 10 years' service.
- (6) The increments of pay hitherto granted to a captain after 8 and after 10 years' commissioned service shall in future be granted after 6 and 8 years' commissioned service, respectively, and those granted to a major after 15, 18 and 20 years' commissioned service shall in future be granted after 13, 16 and 18 years' commissioned service, respectively.

OUR FURTHER WILL AND PLEASURE IS that with effect from 1st October, 1935, the amendments contained in the Schedule attached to this Our Warrant shall be made to Our Warrant for the Pay, Appointment, Promotion and Non-Effective Pay of Our Army dated 12th February, 1931.
